B3350 or L3901 for mowing and snow. I ve seen so many problems with the B3350 that I have been taking into consideration a L3901 or L3301 the associated fee seems to be shut to each other. My hassle with the L fashions is they ve no mid pto so i will't use a MMM however may just use a rear finish mower to over come that and the second problem is kubota does no longer be offering a front mount snow blower for them on there website online however I have observed them on the entrance.

B3350 or L3901 for mowing and snow. I ve seen so many problems with the B3350 that I ve been taking into consideration a L3901 or L3301 the price seems to be shut to one another. My trouble with the L fashions is they ve no mid pto so i will't use a MMM but may just simply use a rear finish mower to over come that and the second one downside is kubota does not offer a entrance mount snow blower for them on there web site however I ve observed them on the front.
